

Joint Announcement: Strategic Partnership Between BES and Emmaus Worldwide

Dear brothers and sisters worldwide:

Greetings in the precious name of our Lord Jesus Christ.

We are thrilled to announce an exciting new partnership between **Bible Educational Services (BES)**, and **Emmaus Worldwide (EW)**. This collaboration represents a shared commitment to the Gospel and a unified vision to equip and disciple people across the globe through quality Bible study materials.

Through this partnership, BES and EW will work closely with their respective international teams to support and strengthen each other's ministries, with the aim of growing the work of the Gospel worldwide. As part of this collaboration:

1. **BES will incorporate Emmaus Worldwide material** as their official **Adult curriculum**.
2. **Emmaus Worldwide will incorporate Bibletime from BES** as their official **Children's curriculum**.

This partnership creates exciting opportunities for our ministries to complement each other and better serve the global body of Christ. We encourage all countries where BES and EW have a presence to explore ways to deepen this partnership at a local level. Those countries who use one of these materials should consider using the other. Together, we can expand our reach and impact, sharing the message of hope and salvation with more people than ever before.

We thank God for bringing our ministries together in this strategic way and look forward to seeing how He will bless and grow this work for His glory.

If you have questions or would like to explore ideas for collaboration in your region, please don't hesitate to reach out to either Sam or Marlon.
